

Applied for CWA in September?

Get a head start on your course by accessing LEARN (our VLE).

You will have access to your 'Welcome to College' course which will introduce you to some aspects of college life and essentials skills to help prepare you for college.

Over the next few weeks, you also have access to curriculum specific activities and information to give you a taste of your chosen curriculum area(s).

To access LEARN on a desktop please visit:

<https://learn.cwa.ac.uk>

Username is your student User ID (6 digit number) and the password is the one you have been using for the student portal throughout your application.

On the dashboard, you will see your courses and the 'Welcome to College' course. You can start working on it now!

If you would like to access LEARN via your phone or tablet please find out more about how to download our app at:
