

26 February 2020

Dear Parent/Carer

Coronavirus Update and Advice

As you will be aware, the Government has recently updated its advice relating to the virus and people returning from abroad particularly over half term.

[The Government's updated advice can be accessed via this link.](#)

The guidance update mainly concerns people that have travelled to and from certain parts of Italy. You will appreciate that the guidance is changing on a regular basis, and we will keep all parents updated as and when is prudent.

Our ski trip travelled by coach to and from Austria, and as such was not in the vicinity of the current areas of concern. As such, any risk of our students or staff of having caught the virus is extremely low. We are liaising closely with other schools in the immediate area, and we will consult with medical authorities if the advice changes.

For further information on the virus, please go to:

<https://publichealthmatters.blog.gov.uk/2020/01/23/wuhan-novel-coronavirus-what-you-need-to-know/>

Alternatively, the FCO webpage specifically on Italy can be accessed via:

<https://www.gov.uk/foreign-travel-advice/italy/health>

If you require further medical advice, please contact 111. Alternatively, if you have any other questions please contact the College.

Yours faithfully

Daniel Baxby
Principal
