

### **Coronavirus update 17/3/2010**

The college is still following Public Health England and Department for Education advice in relation to the health and safety of students and staff.

The immediate focus is on mitigating the risk of infection coming onto the site, to ensure that the college can remain open and operational. As a result, the following actions are now in place:

- All external sporting fixtures have now been postponed
- Extra-curricular clubs remain open for the moment
- The Year 11 Revision evening has been postponed – materials will be sent to parents direct
- The Guided pathways and Year 8 parents evenings at this moment are still going ahead, but will be reviewed daily
- The Dutch exchange meeting has been postponed, and the trip itself will be reviewed over the next few weeks
- Handwashing routines are being promoted and we have enough materials available in college for students and staff

At the moment, we are still expecting students to attend the college. If you chose to withdrawal your child due to them exhibiting symptoms, please let the college know ASAP.

We will continue to update parents/carers on a regular basis as the situation changes.
