Witchford Village College

Full opening Plan – September 2020

The full opening plan detailed in this document is based on two key principles:

1. The safety of students, staff and the wider community.
2. Achieving as much normality as possible, to support students in their return to school.

Summary of measures to reduce contact

“The overarching principle to apply is reducing the number of contacts between children and staff. This can be achieved through keeping groups separate and through maintaining distance between individuals. These are not alternative options and both measures will help (even if implemented partially)...the balance between them will change depending on: children’s ability to distance, the lay out of the school and the feasibility of keeping distinct groups separate while offering a broad curriculum.” **Department For Education, Guidance for full opening – schools, 2nd July 2020**

Maintaining Distance	Separating Groups
One-way system around the inside of the school site	Designated areas at lunch and break including provision for inclement weather
Classroom layouts: front facing with 2m distance marked out for teacher	Packed lunches for all students (school will provide lunch for students eligible for a free school meal).
Staff at gates and bus bays during 'buffer time' of peak arrival and departure to control numbers and flow of students.	Tutor groups will be designated into years and not vertically for at least the first half term.
Teaching and learning approaches avoid group work	
All shared spaces to have a maximum occupancy	
In extra-curricular clubs for mixed year groups, students are distanced by year group and risk assessments are completed

Protective Measures for Students & Staff

The Department of Education (DFE) expects ‘school leaders to put in place proportionate protective measures for children and staff, which also ensure that all pupils receive a high quality education that enables them to thrive and progress.’ **DFE, Guidance for full opening – schools, 2nd July 2020**

Responding to coronavirus symptoms/confirmed cases

Students/staff with symptoms	<ul style="list-style-type: none"> • Students/staff with coronavirus symptoms or those who have tested positive in the last 7 days MUST not come into school. <ul style="list-style-type: none"> • They must follow the ‘stay at home: guidance for households with possible or confirmed coronavirus infection’ which sets out that they must self-isolate for at least 7 days and should arrange a test. • Other members of the household (including siblings) should self-isolate for 14 days from when the symptomatic person first had symptoms. • Students/staff who develop coronavirus symptoms at school must be sent home and follow the guidance above. <ul style="list-style-type: none"> • A student waiting for collection , will be moved, where practicable, to a room where they can be isolated behind a closed door or to an area which is at least 2metres away from other people. • A separate bathroom must be used and the bathroom cleaned and disinfected before being used by anyone else. • If 2metres distance cannot be maintained then PPE must be worn by the first aider. • The area around the person with symptoms must be cleaned and disinfected after they have left. • No other staff or students who have had close contact with the person going home needs to leave unless they develop symptoms.
Track & Trace process	<ul style="list-style-type: none"> • Students/staff with coronavirus symptoms must <ul style="list-style-type: none"> • book a test (and remain at home) • Provide details of anyone they have been in close contact with if they were to test positive for coronavirus. • Inform school immediately of the result <ul style="list-style-type: none"> • If negative and they no longer have symptoms linked to coronavirus they can return to school • If positive follow ‘stay at home: guidance’
Managing confirmed cases	<ul style="list-style-type: none"> • In the case of a confirmed case in someone who has attended school, school must contact the local health protection team who will carry out a rapid risk assessment. <ul style="list-style-type: none"> • Based on the advice from the local health protection team school will send home those who have been in close contact with the person who has tested positive advising them to isolate for 14 days since they were last in close contact with the that person. Close contact means: <ul style="list-style-type: none"> • Face to face contact (within 1m) for any length of time. • Within 1 to 2 metres for more than 15 minutes • Travelling in a small vehicle, e.g. car • Household members of those sent home do not need to self isolate unless the sent home person has symptoms. • The person sent home should remain at home for 14 days regardless of whether they have a test for symptoms and the result is negative.
Containing an outbreak	<ul style="list-style-type: none"> • Two or more confirmed cases in 14 days or an overall rise in absence where coronavirus is suspected could signal an outbreak. School must work with the local health protection team who will advise on action required. <ul style="list-style-type: none"> • It may be recommended a larger number of people self isolate at home as a precautionary measure.

Covid Secure Protective Measures for Students & Staff

The Department of Education (DFE) expects ‘*school leaders to put in place proportionate protective measures for children and staff, which also ensure that all pupils receive a high quality education that enables them to thrive and progress.*’ **DFE, Guidance for full opening – schools, 2nd July 2020**

Outside the classroom`

Arrival and Departure	<ul style="list-style-type: none"> All students arrive at the usual time of 8.25am and depart at 2.45pm or later if attending extra curricular activities. At peak times staff will be at both gates and bus bays to control the follow of students and ensure students maintain distance from each other. If face masks worn to and from school, they must be removed and stored safely in a plastic bag on arrival.
Break Time	<ul style="list-style-type: none"> Break time remains at the usual time of 10.50am. Students have designated areas around the school site according to their year group in order to keep year groups separate from each other. The school kitchen will be closed to avoid large gatherings.
Lunchtime	<ul style="list-style-type: none"> Lunch times remain as usual 1:10- 1:45pm Students have designated areas around the school site according to their year group in order to keep year groups separate from each other. The school kitchen will be closed to avoid large gatherings. Students/staff are asked to bring a packed lunch, students eligible for a free school meal will be contacted to order personalised lunches.
Movement around the site	<ul style="list-style-type: none"> Students and staff follow a one way system around the inside of the school site to minimise contact. Signage will support staff and students in protecting themselves and each other.
Toilets	<ul style="list-style-type: none"> Students will have access to all the usual toilet facilities (as per DFE guidance). All users will be reminded in key messages and signage to wash their hands before and after using toilet facilities.
Extra Curricular Clubs	<ul style="list-style-type: none"> Extra curricular clubs will be offered and advertised to students through daily notices and on the website. Where possible and appropriate clubs will be year group specific. Where not appropriate mixed clubs will ensure students are distanced according to year groups.
Trips	<ul style="list-style-type: none"> The DFE continues to advise against UK overnight and overseas educational visits. From September schools can resume non-overnight domestic educational visits which should be done in line with protective measures, such measures will be detailed in any trip letters to families.
Transport	<ul style="list-style-type: none"> Students and parents should be mindful of the need to maintain distance from others on the way to and from schools. Families using public transport should refer to the safer travel guidance for passengers. Students using private buses should follow specific guidelines which may include using face masks and hand sanitiser on entry and exit

Parents/Visitors

Parents/Visitors	<ul style="list-style-type: none"> • Parents and visitors are asked not to come on to the school site unless in extenuating circumstances and always by prior arrangement. <ul style="list-style-type: none"> • Parents and visitors will be offered a meeting via video conferencing as an alternative. • Where a visitor is permitted on site full details will be taken in the event they are need as part of the track and trace system.
Contractors	<ul style="list-style-type: none"> • Contractors in term time/school hours will be kept to an absolute minimum. • Full details of any contractors on site will be collected for track and trace purposes. • Contractors will be expected to provide own Covid Secure Risk assessment and confirm they will adhere to their own and the school risk assessment.
Parent events e.g. parents evening/ How to help your child at home...	<ul style="list-style-type: none"> • There will be no large gatherings on the school site. • Virtual parent events will be offered in place of face to face events and will mirror/enhance the offer from the previous academic year.
Large scale events	<ul style="list-style-type: none"> • There will be no large scale school events e.g. music, drama, open evening etc, Where practicable online events will be offered in their place or postponed to later in the year.

Contingency planning

National/local lockdown scenario	<ul style="list-style-type: none"> • In the event that a local or national lockdown finds everyone working from home remote learning will begin immediately with students following their usual timetable for continuity and to allow for a simple transition back into school at the appropriate time.
Rota system	<ul style="list-style-type: none"> • In the event that social distancing measures increase and students find themselves working at home/in school on a rota basis students will continue to follow their timetable whether at home or at school and will access the remote learning equivalent of any lessons being studied at home. Where practicable assessed work will be carried out in school in order to support students with that process.
Remote provision	<ul style="list-style-type: none"> • Lessons created for next academic year have blended learning built into them from the outset. This means that students will have access to the same high quality lessons whether working in school with the teacher or working independently at home.
