**LONG ROAD** SIXTH FORM  
COLLEGE  
CAMBRIDGE

Dear Students, Parents and Carers,

We hope this email finds you safe and well. Things can seem really confusing for all of us right now, so we wanted to get in touch to let you know the plans we're putting in place for your next steps.

## Summer Work 2020

We've been working hard over the last few weeks to review and refresh our summer work, making sure it will give you the best introduction to your Sixth Form education journey! All of our A Level and Level 3 Diploma courses will be sharing their summer work tasks on our website from **Monday 8<sup>th</sup> June**: <https://www.longroad.ac.uk/prospective-students>

Our teachers cannot wait to meet you all, in fact, they are so enthusiastic to start working with you that some of them have created "Summer Work Explanation Videos" to introduce themselves and help get you started on their summer task activities.

If you do find that you have some questions then please don't hesitate in contacting your Course Team Leader, you will find their contact details at the bottom of the Summer Work page. All Summer Work should be completed ready for your first lesson at Long Road.

**Virtual Welcome Week: 22 – 25 June 2020**

Welcome Days and Open Evenings are two of our favourite events of the year and nothing could stop us from meeting all our new and prospective students! We have updated our plans and will now be hosting a Virtual Welcome Week for both our Year 11 applicants and Year 10 prospective students!

Our Virtual Welcome Week will be a combination of videos and live sessions from both students and staff, giving you the opportunity to explore everything Long Road has to offer from the safety and comfort of your own home! All you need is an internet connection (a laptop or computer would be best) but don't worry, you won't need a webcam or microphone.

## Keeping you safe and smiling

While things are still a little uncertain right now, due to Coronavirus, we are constantly reassessing our term dates to ensure that all our staff and students return to a safe college environment. We will keep you updated on the start date for Academic Year 20/21, but we hope that this will be early September!

Until we return to college, you can reach us by emailing [admissions@longroad.ac.uk](mailto:admissions@longroad.ac.uk) for any questions you have about joining us as a student.

We hope to see you all again soon,

Stay safe and best wishes,  
Long Road Admissions Team
