

March 2025

Dear Parent/Carer

We are delighted to be welcoming your child/children to Witchford Village College in September. It was fantastic to meet so many of you back in the Autumn Term at our Open Evening.

The college aims to make the move from Primary to Secondary school as smooth as possible for each child and a comprehensive transition journey is outlined in the attached transition roadmap.

To give the students an opportunity to experience a day at the college we will be inviting all of them to attend one transition days either on 7th July or 8th July.

These will be dependent on which school your child attends:

7th July – Stretham, Little Thetford, Rackham and any out of catchment Primary school.

8th July – Mepal and Witcham, Sutton, Wilburton & Robert Arkenstall

Furthermore, we will be arranging times for key members of staff to visit students in their current setting ahead of the transition days. This will allow them to ask any questions about moving up to the college.

You will also receive an invitation to attend our Year 6 Welcome Evening this will be held on **Tuesday 8th July**. This will be an opportunity to meet with the Head of Year 7 and members of our Senior Leadership Team. The evening will enable you and your child/children to hear more details about the upcoming year and attain answers to any questions that you may have. We will communicate the details regarding the event in due course.

If your child/children has a SEN need our team will be working with the SENDCo / parents to ensure a smooth transition between now and September.

Thank you to those who have already completed the school information form online and our team are processing these ahead of September. If you have not yet completed this, please do so via the following link: <https://stage.tmet.org.uk/>
