

YOGA – MIXED ABILITY

Tuesday 11 January 2022 for 10 weeks

7.00pm - 8.30pm

£90

Tutor: Valerie Horspool

Brief Description:

This course offers you the opportunity to experience Yogic postures and breathing techniques, showing how these traditional methods can help towards achieving a stronger, more flexible body and a more relaxed state of mind. The postures will progress from beginner level to more advanced, stretching and toning muscles, developing individual awareness and confidence. The tutor will ensure that modifications are provided where necessary. Observation of the breath, along with yoga philosophy, underpins the physical practices; awakening a deeper understanding that can bring the mind, body and emotions into balance.

This course is aimed at anybody who is interested in experiencing Yoga for the first time, is returning after a break in their practice or has attended this class previously.

- These classes are NOT suitable for women who are pregnant
- Medical advice must be sought prior to commencing the course if you are in any doubt about its suitability
- It is advised to allow 2 hours between large meals and practice

Course Aims:
