

Extra Curricular Activities 2020-21

At Witchford Village College, we have a commitment to offer a diverse and high quality range of extra-curricular activities and a breadth of opportunities outside of the usual curriculum. These activities are an important and exciting feature of school life and contribute enormously to our students' academic, personal and social development. Our aim is to develop learners who are confident, resilient, well-rounded citizens; that they discover and pursue their interests and are ready to discover pathways leading from this.

We encourage all of our students to embrace the vast array of opportunities available to them at Witchford Village College by attending at least one extra-curricular activity, immerse themselves in the opportunities that arise and extend their knowledge and passion through our varied extra-curricular offer.

If you have any questions or enquiries regarding extra-curricular, please contact Mr Pettifor at CPettifor@wvc.tmet.org.uk.

All clubs and activities run after college from 2.45-3.45pm unless otherwise stated.
